CountrymanHighly recommended especially for fans who remember when sportswriting could focus more on the game action, those curious about baseball's history, and lovers of the language.1 of 1 people found the following review helpful. Delightful!By Michael S. SmithAn absolutely delightful reference book that is fun to read and also informative. I've bought a few to give as gifts to my European friends to teach them the nuances of baseball but it also is good for long time die-hard American fans too.
