Solid Ground is in the process of doing a new enlarged edition of this classic work that is useful for public, private and family worship. An esteemed collection of 1,156 hymns of rich theological content, many of which are not found in any other current hymnal. Contains: Gadsby's original hymns; 1st and 2nd supplements; Hart's hymns and occasional hymns. A wealth of meditation for one's own devotions as well as for public worship.
