We reference this book for professional resume positions and all found work within no time. Thanks to this book. You need to do some work with this book, its not a template reference with cut and paste. 0 of 0 people found the following review helpful. It is a good reference. By Amanda This manly just contains examples of resumes. If you are looking for a step-by-step guide you will not find it here, but if you just want a book

to jump start your creativity is writing your resume...this is it.0 of 0 people found the following review helpful.
Incredible resource!By Carol AschenbachLots of samples to get ideas from, and many different jobs/industries are included. Great tool for people that want to update their resume, but don't want to spend the money to have a professional do it.

A showcase collection of more than 150 outstanding sample resumes and 30 cover letters representing the very best creations of professional resume writers. These one-of-a-kind, eye-catching resumes cover jobs from all occupational groups and at all levels. Using the samples and Dr. Noble's writing tips, readers can create their own interview-landing resumes and cover letters. All resume samples are updated and revised, with more coverage of electronic resumes.
