Sue MaxwellTo fully appreciate this book one has to live in Japan for awhile, but when I read it I laugh so hard that I cry. It is lots of fun as are the Japanese.3 of 3 people found the following review helpful. One of the funniest books I have ever readBy godbewye@aol.comI worked teaching English in Japan for 8 years. This book is a wonderful compendium of English as it is used in Japan. Some of the content is absolutely hysterical.

Japanese do things better, this book may be the ideal antidote. Even the Japanese are quick to admit that despite their enthusiasm for learning it, they still have a certain amount of difficulty with the English language.
