in their personal life as well as their business. By SUSAN M SMITHI know the author, John Jeffery Lundell, personally and have had the privilege of attending some of his workshops and one to one coaching sessions. He has helped me in business and personal relationships which has increased sales and my businesses bottom line. Therefore, I read this book from the perspective of how it could be of help to those with troubled pasts, but realized that I could take away many principles that would benefit everyone in their relationships of all kinds. I highly recommend following John's work and reaching out to him on a one to one basis as well. I am looking forward to new books and workshops from this very talented author and coach. I recommend everyone follow his works. 0 of 0 people found the following review helpful. Follow the process. Find the right job. Live a successful life. By CustomerIn Get Beyond Your Troubled Past, author, John Lundell, provides a technically elegant, step-by-step strategy that invites and encourages the reader to read and absorb the content of each chapter, and thoughtfully complete the action steps before proceeding on. John's 30 years of experience in education, workforce development, and private sector management gives him a unique perspective on exactly what it takes to prepare for employment and success in this post manufacturing digital age. Great book, great author! Strongly recommend! :) By Customer This book is really great for people with background issues or if you know someone with background problems this would be perfect for them! The author goes into detail on the steps to take to achieve success in your job search. The book is very straight forward and easy to follow. It's a step-by-step guide on how to get back into the workforce, but not just look for a job, but a career path. I strongly recommend following the author and even contacting him if you have questions.

You're Not Looking for a Job, You're Looking for a Person, this is the central theme from Get Beyond Your Troubled Past, a book that shows the background challenged person how to get the right job and build a future. Have you been in prison, rehab, or an abusive relationship? This unique step-by-step guide will walk you through the process of getting back into the workforce. The Modern Job Search is not for the person with a troubled past. Social media, networking, and writing the perfect resume are all opportunity killers for you. Computer searches and social media can destroy your chances of success before you even get to step one. Everyone knows someone with a background problem, do yourself and them a favor and get this book.
