By Janet Andrews As a seasoned Executive Career Coach, I found Thea's book to be extremely valuable in helping individuals prepare for and ace the interview. It is a very hands-on guide with lots of gems and strategies to succeed, be selected as the #1 candidate and get the offer!  
1 of 1 people found the following review helpful. This book is a must have for job seekers!!  
By Kelley M. I've read more articles and books on interviewing than I care to count- and really while useful it's all the same information. Thea really outlines some innovative techniques that will surely make you stand out from the crowd. This book is a must have for job seekers!

When you're interviewing in today's competitive job market you need to stand out for the right reasons. Canned answers won't work, nor will "winging it." You need to be both authentic and strategic to convince the employer you're "the one." This brief, encouraging interview guide offers a simple, smart approach to interview preparation. Get That Job! is packed with all you need to get ready for the best interview of your life. Through proven interview tips and step-by-step instructions, you will learn to: Know and communicate the unique strengths that make you the right person for the job. Realize why employers ask many of the most common interview questions and how to answer with confidence. Succeed with video interviews, behavioral interviews and panels. Build an arsenal of success stories more than you think you have! Ace every step from the first screening to accepting the offer.
