Lawrence C Bassett : Get The Job You Want: What To Say and How To Say it - The Interview Script Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Get The Job You Want: What To Say and How To Say it - The Interview Script Book:

"Get The Job You Want - The Interview Script Book" is the book job-seekers have been waiting for. It's a practical, non-nonsense approach to one of the more fearful and complicated aspects of life, JOB HUNTING. More than just an instructional work, the book uses the unique approach of "scripting" you through the job-hunting mine-field. Author Lawrence C. Bassett, CMC, is well qualified to guide you on your quest. Whether for a "first job" or "career change," he can help you get the job you want. Let him share his more than 40 years of expertise with you.
