Highly Recommended for Job Seekers By Customer I read both books while taking a course with Professor Guy and the exercises in the books are great for really honing in on your personal skills and interests! Not only is the book a helpful guide to job hunting, but it helps you identify what makes you a great candidate for a job. In addition, the presentation style format outlined in the book will make you stand out among other candidates and give you a higher chance of being called in for an interview. 0 of 0 people found the following review helpful.
