From Music Sales America : Gig Bag Book Of Picture Chords For All Guitarists In Color (Gig Bag Books)
before purchasing it in order to gage whether or not it would be worth my time, and all praised Gig Bag Book Of Picture Chords For All Guitarists In Color (Gig Bag Books):

0 of 0 people found the following review helpful. Really, the first chord is wrong?By Burton R. ClarkeI don't have a lot of confidence in the book now that I have seen that the fingering for the very first chord is wrong. On page 6, using the A chord pattern at the 2nd fret, the picture shows a "C" chord, with the notes mislabeled as well, when in fact, the picture is of a "B" chord. The note at the 2nd fret of the 6th string is incorrectly labeled as a "G", when in fact, it is a "F#". The rest of the notes follow suit. The bar needs to be at the 3rd fret for this fingering to accurately reflect the "C" chord. Turning to page 236, you see that the exact same finger placement on the exact same fret, is correctly described as a "B" chord, and the notes are correct. It was frustrating to find that the very first chord in the book was wrong. That may be the only error, I don't know, but I can't take the info at face value now, which is what I bought the book for in the first place. Interesting that this is by the Hal Leonard Corp. and I couldn't find that name anywhere in the book.0 of 0 people found the following review helpful. this is a great resource!By sfmiguelitoThis little book is a lifesaver. I find 95% of what i'm looking for in this little directory. In most cases it provides more than one way to play a chord. Well organized and very helpful. If you're a beginner or otherwise, this is a great resource!0 of 0 people found the following review helpful. Big book of chordsBy GinaThis is a nice book of chords. I received fast shipping.

(Music Sales America). All the right chords at your fingertips! Contains nearly 1,000 standard chord forms presented in easy-to-read color-coded diagrams with clear, close-up full-color photos. Keep this handy reference in your gig bag and never be at a loss again!
