Manhattan Prep : GMAT Fractions, Decimals, Percents (Manhattan Prep GMAT Strategy Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised GMAT Fractions, Decimals, Percents (Manhattan Prep GMAT Strategy Guides):

2 of 2 people found the following review helpful. Clear explanations By Dante Peralta Each topic is concise and clear. Good starting point to refresh basic concepts and learn new strategies to improve time. 2 of 2 people found the following review helpful. Great book By Ahmed yeslam This book explains the concept of FDP in details and provides an accurate understanding of the concept. I would highly recommend it ! 1 of 1 people found the following review helpful. Highly recommend this book! By Megan E. Moore This book was great and definitely helps me learn how to do fractions, decimals, and percentages quickly and effectively without a calculator. I highly recommend this book!

Adapting to the ever-changing GMAT exam, Manhattan Preps 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. Adapting to the ever-changing GMAT exam, Manhattan Preps 6th Edition GMAT Strategy Guides offer the latest approaches for students looking to score in the top percentiles. Written by active instructors with 99th-percentile scores, these books are designed with the student in mind. The GMAT Fractions, Decimals, Percents strategy guide delves into all the surprisingly tricky ways to represent and test part-whole relationships on the GMAT. It covers not only fundamental principles and techniques but also nuanced strategies for handling tough GMAT problems that involve fractions, decimals, and percents. Unlike other guides that attempt to convey everything in a single tome, the GMAT Fractions, Decimals, Percents strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Fractions, Decimals, Percents strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Preps Fractions, Decimals, Percents Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition.

About the Author In 2000, Teach for America alumnus and Yale graduate Zeke Vanderhoek had a radical idea: students learn better from better teachers. His vision of what test prep could be if written and taught by great educators led him to start Manhattan Prep. Since we began, Manhattan Prep has grown from a boutique tutoring company to one of the worlds leading test prep providers, offering GMAT, GRE, LSAT, ACT, and SAT courses and tutoring worldwide. We believe test prep should be real education. From our instructors to our materials, we work to teach you the skills you'll need to succeed on the test, in school, and beyond.
