Highly recommend.0 of 2 people found the following review helpful. Ok BookBy carmurrIt's an OK book, but not exactly what I was looking for. I deal in linen and have loved it for years, for it wasn't exactly what I was looking for, but it might be what you're looking for.

The title of this book embodies the author's attitude toward the collection that she presents, using vivid photographs to guide the reader through centuries of lacemaking and embroidery. The author has traveled throughout Europe carefully researching the origin and history of the pieces presented. Information is separated into eight chapters: Lace Trim, Bridal Hankies, Fashion, Society Embroidery, Appenzell-work, Bed Linens, Table Linens, and Miscellaneous Lace and/or Embroidered Pieces. Each chapter includes an overview, detailed descriptions, and photographs, including details that are excellent references for identifying various styles of lace and embroidery. The price range associated with each will help the reader understand the effect age, condition, and workmanship have on value. This book will appeal to beginners and experienced collectors alike.

About the Author Debra Bonito lives in Connecticut. She has been a collector of fine linen and lace for twenty-five years, and frequently presents lectures about them. Photographer Charles Fields lives in Wallingford, Connecticut.
