Jerry Bouchard : Graduating to the 9-5 World before purchasing it in order to gage whether or not it would be worth my time, and all praised Graduating to the 9-5 World:

This book is every student's passport to the realities of the work world. Former students, administrators, career

professionals, and employers provide an insider's view of what it's really like working in a structured world where politics, productivity, and performance take center stage.

Chapter 1: This book is designed to encourage you to look ahead and to correct some naive expectations which may hold the seeds for your own 9 - 5 shock. Some of your false expectations and impressions may not be entirely conscious. You may simply have failed to anticipate some highly relevant factors which will influence your assimilation into the working life.
