Irma Munguia Zatarain, Martha Elena Munguia Zatarain, Gilda Rocha Romero : Gramatica lengua espanola/ Spanish Language Grammar (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gramatica lengua espanola/ Spanish Language Grammar (Spanish Edition):

1 of 1 people found the following review helpful. Same content, less exercise, as Gramatica, Lengua Espanola: 978-970-220581 By George D. Meier This is a very handy summary of the Spanish grammar with its portable format and appealing page layout. It contains the exact same text, minus the exercises and answers, as the larger book Gramatica, Lengua Espanola, Reglas y Ejercicios, by the same authors I. Mungia Zatarain, M. E. Munguia Zatarain, and G. Rocha Romero: Larousse Gramatica de la Lengua Espanola: Reglas y Ejercicios/Grammar for Spanish Speakers. As the prices are about the same, you are better off buying the version with exercises.

New product. Never used!
