**Randi Reppen, John Bunting, Luciana Diniz : Grammar and Beyond Level 4 Student's Book B** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grammar and Beyond Level 4 Student's Book B:

Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the second half of Student's Book, Level 4. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students

apply the grammar in an extended writing task.
