found the following review helpful. Gramatica basicaBy Marcia Moana LevitanThe book arrived in the allotted time, but towards the end of the time space.

Gramtica bsica del estudiante de espaol presents Spanish grammar with clear and comprehensive explanations in simple Spanish language. This text is enhanced with illustrations that exhibit the appropriate use of the material in real and cultural contexts. Gramtica focuses on breaking down the most frequent grammar issues for Spanish learners and includes hundreds of exercises for students to practice their new skills. The text also includes conjugated verb tables and answer keys for quick review. Gramtica can be used as the main text for a grammar course for second or third year students, as a supplement to other class material, or as a reference for advanced Spanish learners.
