Loads of great quotes from all the guys, especially Billie Joe. I feel like I know him so well now. The author obviously spent alot of time with them. Lots of juicy details about the music and lives of a great band. The author speaks about the clothes, the language, the instruments, the loves, the gigs, even the makeup! The boys' stellar history is also portrayed in great style, from Sweet Children and onwards. Plenty of super rare photos you won't see elsewhere. If you like Green Day, you're truly gonna love this book!0 of 0 people found the following review helpful. Good Read for FanBy kbringeMy nephew, a Green Day fan, enjoyed this book very much. Not found in book store around here.1 of 1 people found the following review helpful. AwesomeBy Melanie RandellGreen Day: The Ultimate Unauthorized History: A must have for the music library!!!!!!!!!!!!!!Nothing bad to say about it!!! Great book.

Formed in Californias East Bay in 1987 by a 15-year-old guitar player named Billie Joe Armstrong and his bass-playing friend Mike Dirnt (later joined by drummer Tre Cool), Green Day has risen from the Bay Areas underground rock scene to become one of the worlds most popular bands. Lauded for bringing punk rock to the masses, Green Days remarkable rise from teenage garage band to multi-platinum artists is documented here for the first time to coincide with the bands 25th anniversary.

From the Back Cover Revered for bringing punk rock to the masses, Green Day has spent the last 25 years riding a remarkable rise from teenage garage band to world-conquering multi-platinum artists. For the first time, the Bay Area trio is documented in a beautifully designed and illustrated book timed to coincide with their landmark anniversary. A complete band history written by veteran music scribe and frequent Green Day interviewer Alan di Perna charts the band from their formation and first gigs in Berkeley through their many bestselling studio efforts and world tours, as well as their award-winning Broadway show. The story is complemented by nearly 300 visuals, including concert and candid off-stage photography, gig posters and handbills, 7-inch picture sleeves and vinyl, backstage passes, and more. Finally, a visual celebration worthy of one of the worlds most admired rock bands.
