**From Education International : Guide to Graduate Executive Management Programs in Canada - 2001 Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guide to Graduate Executive Management Programs in Canada - 2001 Edition:

This guide offers the most complete and current information available on graduate and executive management education in Canada. Featuring in-depth, four page profiles, this guide highlights MBA, EMBA, PhD, executive development and other specialized management degrees. Expert narrative by AACSB - The International Association for Management Education, Graduate Management Admission Council (GMAC) and the Canadian Federation of Deans of Business Schools ensures that the guide is a complete information source.

EI's Guide to Graduate Management Programs in Canada has shed new light on what Canada's management schools are doing to attract an adult audience...For working people planning to go back to school, Victoria-based EI's guide is an invaluable resource. It offers the most comprehensive and current information available on graduate management and executive education in Canada -- Atlantic Chamber Journal, March/April, 1998EI's guide provides a showcase for the wide spectrum of management programs available at Canadian institutions and associations -- Canadian Education Centre Newsletter, February, 1998
