A must-have for aspiring authorsBy valleycEven more helpful than I hoped it would be, this guide has been essential for me to begin navigating the world of finding an agent for my novel. It has a wealth of resources, from sample query letters, to feedback from agents themselves on the

do's and don'ts of submissions and first chapters, to everything in between. I feel so much more prepared to pitch because of this book; otherwise I would have been lost. I can't recommend this guide enough to aspiring authors. 4 of 4 people found the following review helpful. Great directory!
