Parragon Books : Guitar - The Complete Encyclopedia before purchasing it in order to gage whether or not it would be worth my time, and all praised Guitar - The Complete Encyclopedia:

1 of 1 people found the following review helpful. Beautiful book. Lots of great pictures informationBy Sharon VathyBeautiful book. Lots of great pictures information. Educational if it's what you are looking for, but I am using it as a table book.2 of 2 people found the following review helpful. Good coffee table bookBy GpBought this for my brother for Christmas and after flipping through the pages, ordered one for myself.It's great to have around the house.2 of 2 people found the following review helpful. Very informative!By DawnBought this as a gift for my husband who is a guitar fanatic and he loved it! Good read for the person who is really into guitars, their manufacturers and certain players as well.

This is the ultimate gift for guitar lovers, be they Folkies, Rockers, Blues Lovers, Jazz Aficionados, Rhythm Blues, or Soul music fans and also everyone whoever learned to play a guitar or wants to. This book offers a complete visual

history of the guitar including; how to choose a guitar amp, acoustic vs. electric, profiles of guitar heroes , and even a section called Learn to Play Like... which offers tips and arrangements from Duane Allman through Neil Young with 25 other classic artists in between. Here s the bottom line: If you have a guitar, if you know someone who has a guitar, if you love guitar music you need this book. This is the ultimate gift for guitar lovers, be they Folkies, Rockers, Blues Lovers, Jazz Aficionados, Rhythm Blues, or Soul music fans and also everyone whoever learned to play a guitar or wants to. This book offers a complete visual history of the guitar including; how to choose a guitar amp, acoustic vs. electric, profiles of guitar heroes , and even a section called Learn to Play Like... which offers tips and arrangements from Duane Allman through Neil Young with 25 other classic artists in between. Here s the bottom line: If you have a guitar, if you know someone who has a guitar, if you love guitar music you need this book.
