They are all excellently written in his concise, "police officer" style but with the precise technical detail of a college professor and the colorful spice of a drinking buddy. If you ever take a gun out of your home, you owe it to yourself and your family to read this book and its message of responsible, tactically wise concealed carry. Thanks Mas !31 of 33 people found the following review helpful. Great for someone thinking about CC.By B. FosterThis new edition is good. It contains some updated and additional information. I would definitely recommend it for someone thinking about concealed carry, especially the chapter dealing with case studies on the aftermath of having to use deadly force to defend themselves.Otherwise, it is just OK. I have only been licensed a few months and I really didn't find much in the book that I didn't already know or could readily find elsewhere

free. Still, I appreciate Mr. Ayoob's dedication and effort in producing this book and will be sure to pass it on or recommend it to anyone considering CC. 0 of 0 people found the following review helpful. This is an excellent resource for any CC. Ayoob has a talent for making a point clear to those new to CC as well as interesting and informative for experienced carriers. He has truckloads of experience he is willing able to share as well as being entertaining.

Written by Massad Ayoob, one of the pre-eminent fighting handgun trainers in the world, Gun Digest Book of Concealed Carry 2nd Edition builds upon the best-selling 1st edition by addressing some of the hottest issues surrounding concealed carry today.

About the Author Massad Ayoob has published thousands of articles in gun magazines, martial arts publications, and law enforcement journals, and authored more than a dozen books on firearms, self-defense, and related topics. During his distinguished career, Ayoob has won several state and regional handgun shooting championships, appeared as an expert witness for courts in weapons and shooting cases, and currently appears in numerous television shows. He founded the Lethal Force Institute in 1981 and served as its director until 2009, and now trains through Massad Ayoob Group.
