2 of 2 people found the following review helpful. haitian creole phrasebook By learning.4. ever Recommended for people who are ready to go to Haiti for mission/medical/educational trip or like myself to learn and to communicate better with my Haitian Creole (Kreyol) speaking ESL students. Well organized, very easy to use and plenty of references. Simple everyday conversations and also includes basic medical conditions/terms. Someone had said,

"Creole: say it as it is written", he probably meant it's nothing like English Language or French i.e. it's phonetically written language thus every letter must be pronounced. I'm learning a bit by bit. Good luck! 1 of 1 people found the following review helpful. Five Stars By the best HELPFULL 0 of 0 people found the following review helpful. GREAT!
