A must have for anyone interested in moving up the guitar neck. By Rob This is a great little book with more chords going up the neck than you'll ever use. The perfect reference book for chords up and down the scale, with a small size book and large easy to read chord viewing. 0 of 0 people found the following review helpful. Love it By Dzz Great little chord book, fits in gig bag. Love it

(Guitar Educational). Quick what's that chord? This compact reference guide includes: over 2,700 guitar chord diagrams in all 12 keys; 58 chord qualities and four voicings for each chord; instructions on reading chord diagrams; and music theory to aid in chord construction. Measuring just 4 x 6 inches, this info-packed volume is small enough to take everywhere!
