From Brand: Laughing Elephant : Halloween Postcard Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Halloween Postcard Book:

0 of 0 people found the following review helpful. Postcards were very good, beautiful art
By Patty Oliva Postcards were very good, beautiful art. Like said in past reviews it is helpful to start at the end of the book and tear out that one first, I had zero problems through this method. The one thing I didn't like is that some of the postcards lack color, they have white backgrounds and such. But otherwise very cute.
0 of 0 people found the following review helpful. Super cute, old fashioned Victorian-style designs
By Rebecca Asni Super cute, old fashioned Victorian-style designs. Couldn't be happier. These cards are so cool that I have trouble parting with them in order to mail them out!
0 of 0 people found the following review helpful. Beautiful nostalgic images to enjoy and share
By LN Wonderfully nostalgic, quality postcards. I love the Halloween postcards of yesteryear, but to buy original postcards is expensive, so these are great! For the price of a single postcard I got a book containing a large number of cards I can decorate with, use for craft projects, share with friends, or use as party invites.

During the great era of postcard publishing (which dated from the 1890s until World War I) uncountable different designs for postcards were produced. Holidays were a favorite time to send postcards, and as Halloween was second only to Christmas as a sending occasion, an enormous number of cards were available. The imagery is varied, appealing, and dramatic. We present here some of our favorites from that time, and hope that we thus encourage a renewal of the happy custom of Halloween correspondence.
