Bill Boggess : Handbook for American Brilliant Cut Glass (Schiffer Book for Collectors with Price Guide)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook for American Brilliant Cut Glass (Schiffer Book for Collectors with Price Guide):

0 of 0 people found the following review helpful. pleased,By Customerwas exactly described, I am down sizing my collection and needed correct names for patterns, this book was a great help2 of 2 people found the following review helpful. Great reference tool!By HavenI own an antique store in Santa Barbara, and am always looking for good reference guides for identifying the old glass and china patterns. This is an excellent book! TLC at Vintage Treasures0 of 0 people found the following review helpful. It was in depth and easy to understand and gave full coverageBy anthony koepfleIt was in depth and easy to understand and gave full coverage. I liked it and use it for a guide all the time.

This practical book provides guidance in identifying and evaluating American brilliant cut glass. It is organized by patterns and illustrated with 396 color and black and white photographs. Standard, Choice, Premium, and Rare quality pieces are identified throughout, and separate value ranges for each quality of every piece are provided. Tips for recognizing non-American cut glass are given and examples are shown. Separate indexes of pattern names and manufacturers provide quick references. This is the book you want at your fingertips when on the Internet and with you in the shops and auctions when you buy cut glass. It will help you find some good buys.

About the Author Bill and Louise Boggess have collected, photographed, and researched cut glass together throughout America for over fifty years. They have become the preeminent authorities in their field, and willingly share their vast knowledge in this concise and easy-to-use book.
