Handbook of Flowers, Foliage, and Creative Design is a practical guide for students of floral design. As an addendum to The Art of Floral Design, 2E, this handbook provides easy access to basic information, as well as step-by-step floral

arrangement instructions and a flower and foliage identification section. A glossary provides students with an excellent reference of technical terminology used within the industry.

Partial Contents: Section 1: Floral Arrangements Factors Influencing Arrangement Shape Triangular Designs One-Sided Symmetrical Triangle-Steps of Construction Cone Designs-Steps of Construction Asymmetrical Triangle Designs One-Sided Asymmetrical Triangle Designs Circular Design Styles Section 2: Flowers to Wear Guidelines of Design Theme and Style Proportion and Scale Shape Mechanics Balance Focal Area Section 3: Contemporary Design Styles and Techniques Classic Design Styles Mille Fleurs Design Biedermier Design Phoenix Design Waterfall Design Naturalistic Design Styles Botanical Designs Vegetative Design About the Author Find learning solutions to boost your career, augment your curriculum, improve your training courses or help you master new skills, from the leader in skills based solutions for educational institutions, businesses, and professionals - Delmar, a part of Cengage Learning.
