Harley Brown, Lewis Barrett Lehrman : Harley Brown's Eternal Truths for Every Artist before purchasing it in order to gage whether or not it would be worth my time, and all praised Harley Brown's Eternal Truths for Every Artist:

Harley Brown offers artists his "truths" for painting success-the stuff he hopes they teach in art school. A well-established artist, Brown has gained a large following with his frank, no-nonsense approach to teaching art. Twelve knock-out chapters include: *What every artist should do first. Harley's own cheap and dirty way to start painting. *Composition-who needs it? See why most paintings are boring. And why a few will knock your socks off. *Working with color. Stay miles ahead of the person who skips this chapter! *Going on from here. Your greatest obstacle isn't skill... it's attitude. Plus, 30 magic solutions to common problems, 15 things to leave out of a painting, 24 painting sins

and much more! Supplementing Brown's advice are more than 10 step-by-step painting demonstrations in oil and pastel. His unique offerings are sure to enlighten and entertain painters of all skill levels and backgrounds.
