Lisa Swerling : Harold's Planet:The Last Lemon before purchasing it in order to gauge whether or not it would be worth my time, and all praised Harold's Planet:The Last Lemon:

The books in this series are filled with colour illustrations and fall into two categories: there are parables, charming stories for grown-ups; and laws of nature, which are collections of musings and anecdotes about the way things are - or at least, the way things are on Harold's Planet.

These delightful books are filled with wonderful full colour original illustrations and fall into two categories: These are parables, charming stories for grown ups, and laws of nature, which are delightful collections of musings and anecdotes about the way things are - or at least, the way things are on Harold's Planet.
