HarperCollins Publishers : HarperCollins Beginner's French Dictionary, 2e before purchasing it in order to gauge whether or not it would be worth my time, and all praised HarperCollins Beginner's French Dictionary, 2e:

0 of 0 people found the following review helpful. A good basic learner's dictionary, but...By Stephen FergBasic vocabulary, nicely formatted and easy to read and use for someone just beginning. But too limited for serious use. For serious use, you'll need something with more words. Personally, I like Cassells and/or Langenscheidt.0 of 0 people found the following review helpful. This is a dictionary with typically needed French words and ...By Barbara KellerThis is a dictionary with typically needed French words and phrases. No other dictionary matches its relevance

to beginning French language students. 6 of 6 people found the following review helpful. Great vocabulary book -- terrible dictionary
By Edward Torpy
If you're looking for a French vocabulary book, this is a great choice. However, since this book doesn't include any pronunciation information, it fails as a dictionary. As long as you're aware that there's no pronunciation information, you'll be very pleased with the examples of how words are used in the French language. Very good for people trying to expand their vocabulary or work on their grammar.

The HarperCollins Beginner's French Dictionary is an innovative dictionary designed specifically for anyone starting to learn French. The dictionary is designed to be easy to read, easy to use, and easy to understand. The comprehensive entries highlight key translations, all essential set expressions and have clear, helpful examples to show how to best use the translation.

About the Author
HarperCollins Publishers is one of the world's leading English-language publishers with headquarters in New York. The company is part of News America Publishing Group, a division of News Corporation. The house of Mark Twain, the Bronte Sisters, Thackeray, Dickens, John F. Kennedy, Martin Luther King, Jr. and Maurice Sendak, HarperCollins was founded in New York City in 1817 by the brothers James and John Harper. The worldwide book group, which was formed following News Corporation's acquisition of the British publisher William Collins in January 1990, has significant publishing interests in the U.S., Canada, the U.K. and Australia.
