**Harrap : Harrap's French and English Pocket Dictionary (Harrap's Pocket Dictionaries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harrap's French and English Pocket Dictionary (Harrap's Pocket Dictionaries):

0 of 0 people found the following review helpful. Must have for anyone learning French!By Mary LeeAs an undergraduate French major, this is the best French dictionary I've found! One of my French professors recommended this one to me my freshman year and it's been my favorite ever since. It is well organized, has basically any word you can think of, and has all the little helpful add-ons like verb conjugations, grammar tips, and more! It is half English to French and half French to English, both of which are helpful in their own ways.I would recommend this to anyone looking for a nice thorough (but compact! it's not too big!) French dictionary, whether you are just a beginner or if you are fluent. Definitely a must-have for any French speaker!0 of 0 people found the following review helpful. nice productBy Amy MillerMy daughter is entering high school. One of her items that she needs for French class is a French/English dictionary. After some research we chose to get this one and we sure are happy that we did. She has spent some time over the summer reading it and she really likes it. She has actually recommended it to other kids that will be in our class. That alone says a lot coming from a teenager6 of 6 people found the following review helpful. Best French Dictionary...By indieblackSo far, this is the best French/English Dictionary that I have. I took 2 years of French in High School--20 years ago-- and now am in a University 101 class. Over the years I have had many different French reference books, including the 501 French Verbs. And this surpasses anything that I have had before. It has current, as current as it can get, information in the book. Also, if you have problems remembering the mechanics of English grammar it helps with that, too.I am so glad that I read the positive review and decided to buy this. I am not disappointed!

You will always know the right word thanks to this bestselling bilingual dictionary, now revised and updatedHarrap's dictionaries are the bestselling bilingual references in the French-speaking world.Although small in size, Harrap's French and English Pocket Dictionary covers everything you look for in a portable reference.
