Alan R. Schonberg, Robert Shook : Headhunters Confidential! 125 Insider Secrets to Landing Your Dream Job
before purchasing it in order to gage whether or not it would be worth my time, and all praised Headhunters
Confidential! 125 Insider Secrets to Landing Your Dream Job:

5 of 6 people found the following review helpful. Don't waste your money or time....By A CustomerThis alleged
"book" offers insights only a seriously impaired job hunter would find valuable. You won't learn anything about Head

Hunters or the executive search industry. The "chapters" average 1 1/2 pages long -- no exaggeration. Geared to a third grade reading (and job hunting) level, you fully expect pictures and the words 'The End' on the last page. Prepare to be disappointed. Enjoy gems of advice akin to 'Use your hand to shake hands at the beginning and end of an interview!' and 'Paper is a good material to use when creating a resume'. (These are not quotes from the book -- but I fully expect the author to try to steal them for use in his next "book.") 2 of 3 people found the following review helpful. A Solid Effort! By Rolf Dobelli It's nice to read a book written by the fellow "who wrote the book." Alan R. Schonberg is that guy, the chairman of the world's largest executive recruiting firm. The insights into job hunting that he provides are well worth the classy sales pitch he offers on behalf of the headhunting profession. You wish he would give more insider headhunter's information - one senses that he has politely declined to publish all his business secrets. Still, there's a lot here to ponder. Thus, we at [...] recommend this book to people who want to turn job hunting into a process that can enhance their dignity, salary and job-satisfaction. A show of hands, please. 9 of 10 people found the following review helpful. Great Tips By A Customer Written in a very breezy style, this book is full of surprisingly good tips and advice about the job market. Some of it is common sense, but common sense to a professional headhunter might not occur to someone who doesn't look for a new job every day of the year. I'd recommend it to anyone looking to make a career change, but particularly to anyone fairly new to the job market. Many of the tips are equally good for keeping your job or getting ahead as for changing.

Schonberg and an army of headhunters share their secrets for landing a great job at a top-flight company. He deals with each important aspect of a job search, covering topics such as avoiding the 20 most fatal resume errors and not taking rejection personally.

From the Back Cover Get the knowledge and confidence you need to finally land the career position you want with *Headhunters Confidential*. This on-the-mark career guide asks today's most successful headhunters what it takes to break through and offers a blueprint for success that gives inside tips on everything from the big picture (Tip #8: Having a Game Plan) to the nitty-gritty (Tip #60: 22 Smart Questions to Ask in an Interview). Alan R. Schonberg, chairman of the world's largest search firm and a savvy veteran of the career search battlefield, digs deep into his arsenal to reveal job search makers and breakers that include: 20 tips for making the best impression Hints for a concise and convincing cover letter 11 common yet fatal resume errors How to sell yourself to a headhunter when you're unemployed 30 essential interview basics to learn, practice - and never forget! When you want to correct your slice, you go to a golf pro. So it just makes sense, when you want to improve your career search skills no matter what your experience or skill level that you go to today's top headhunter.
