Susan Branch : Heart of the Home: Notes From a Vineyard Kitchen before purchasing it in order to gauge whether or not it would be worth my time, and all praised Heart of the Home: Notes From a Vineyard Kitchen:

2 of 2 people found the following review helpful. Charming cookbook! By Customer Susan Branch has a devoted following. Recipes in her books are delicious! The art, handwritten text and use of quotes in all of her publications are her charming signature style. If you love to cook, add this to your kitchen library. She recently published three memoir books that are equally charming with handwritten text, photos and a way to get to know Susan Branch as a person and her journey towards becoming the loved author that she has become. I highly recommend "The Fairy Tale Girl" "Martha's Vineyard - Isle of Dreams" and "A Fine Romance - Falling in Love With the English Countryside." I recommend reading them in the above order. ENJOY! 0 of 0 people found the following review helpful. This book is part of the heart of my kitchen. By kathinthegarden I have purchased more than one copy of this book for myself and others (9 GIFTS) and now I own several other Susan Branch books - cookbooks and otherwise. Besides beautiful illustrations and lettering, Susan includes delicious recipes that, once read, always make me want to cook. After

leafing through any one of her cookbooks, I am bound to create something great. Her descriptions and drawings are so inspiring. And the recipes work. HEART OF THE HOME is by far my favorite Susan Branch book. Maybe because I've owned it for 23 years and have made so much of the food for so many loved ones. 2 of 2 people found the following review helpful. Beautiful pages and delicious recipes By Kindle Customer Read her autobiography and just HAD to have this cookbook. It's as interesting to look at as the recipes are. I think it helped to know how she came about creating this cookbook to appreciate everything that went into it. What a lovely, talented woman!

With an emphasis on simple preparation and fresh foods, Susan Branch has created the perfect combination of illustration and prose and a celebration of food sure to become a classic of homespun delights. Susan Branch wrote the book completely written by hand and illustrated it with charming and beautiful color watercolors. Ribbon marker.
