The dictionary and companion CD both looked brand new. This is the second time I have purchased this Heinle's Newbury House Dictionary through - for a high school exchange student and for a university student - both were Vietnamese students whom English is a second language, because it

was highly recommended by the university ESL tutor who has helped improved the students' grammar, vocabulary, and pronunciation. The accompanying CD is an important part of the book. Note, this is an English English dictionary, which is what the tutor insists on - not a translator dictionary - because it gives examples of use in sentences, etc. 0 of 0 people found the following review helpful. Wonderful Resource By Rhonda Kline We have been traveling in Asia for three years and so I homeschool my children. I bought several dictionaries, but I was not happy with them. I think the difference lies in the examples this dictionary gives on each definition of each word. I find this so helpful because the sentences give a more thorough understanding of a word. With a BA in literature and a JD, I can give examples, but giving my children a resource that enables them to work independantly is beneficial. My youngest son is starting to incorporate the words he learned in his daily speech, which did not happen prior to using Newbury. He can express himself more creatively. He sounds more authoritative. I enjoy using this book in our studies and am thankful we have it. 0 of 0 people found the following review helpful. Absolutely my favorite..!! By Leisy Letty Suarr I use this to look for words and meaning that I don't know or I'm unsure what they mean.. I think it's one of the MOST IMPORTANT AND useful dictionary BOOKS of american english..!! I just love it..!!

HEINLE'S NEWBURY HOUSE DICTIONARY focuses on what English language learners need and want to know. To help students build their vocabulary and increase their reading, writing, listening, and speaking skills, HEINLE'S NEWBURY HOUSE DICTIONARY includes: 1) a Learner's Dictionary, 2) an Integrated Thesaurus, 3) a Brief Writer's Handbook, 4) a Built-in Activity Guide, and 5) an Interactive Pronouncing CD-ROM.
