5 of 6 people found the following review helpful. I cannot believe this can be sold as a bookBy Heidi M. WhiteThis book does not even have page numbers, because there are so few pages. The font must be a 24 font and the book

dimensions are 5 x8. I want my money back. I have never written a review, but I have never been so stunned and felt so ripped off. I am sorry Jean Bright....you shouldn't be selling this book. Websites on the star method are much more insightful.

Employers use the S.T.A.R. behavior method during their interviews. This workbook strictly focuses on S.T.A.R . You get to practice the Star technique to help take the edge off of the interview. Also included is a interview tracker to help you keep track of interviews and compare notes.
