?Thorough mastery of forms, basic syntax, and simple vocabulary are primary objectives of Henle Latin First Year that enable students to handle simple readings and translations. Henle Latin First Year includes 14 units and covers: the declensions, various conjugations, ablative and infinitive constructions, and much more. Humanistic insight and

linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.
