**Robert J. Henle : Henle Latin Grammar** before purchasing it in order to gage whether or not it would be worth my time, and all praised Henle Latin Grammar:

33 of 33 people found the following review helpful. A Systematic Study of the FundamentalsBy T. B. VickThis is an excellent essentials text. In other words, the Henle Latin Series from Loyola Press has put together a very comprehensive series and this is one of the better editions.This text covers the basics or fundamentals of the Latin language - i.e. the grammar. The text includes nouns, adjectives, adverbs, verbs, pronouns, numerals, and how these are all ordered in certain sentence structure, etc. Moreover, detail on syntax is covered for each of the above things

mentioned, as well as special cases or uses for each. All the clauses are covered, conjugations, declensions, rules for time, gender, etc. Prepositions are given special attention as well as methods of diagramming. Everything and anything anyone would need to know in order to gain a better understanding of the Latin language is within this book's covers. Thus, this text is great for the beginner as well as the more learned student of the language. It also helps you sharpen your Latin grammar skill, if perhaps you might be a little rusty. This is definitely a great reference and study text for everyone. 0 of 0 people found the following review helpful. Five Stars By David Tutwiler Good Deal 0 of 0 people found the following review helpful. It is a tried and true Latin curriculum and I highly recommend it! By Customer This book provides a plethora of translation and parsing practice for Latin students. The translations are engaging and historically relevant. It is well-organized and thorough. It is a tried and true Latin curriculum and I highly recommend it!

Henle Latin Grammar is designed for student use through all four years of Latin study: Part I introduces forms of nouns, adjectives, adverbs, numerals, pronouns, and verbs; Part II covers syntax. Humanistic insight and linguistic training are the goals of the Henle Latin Series from Loyola Press, an integrated four-year Latin course. Time-tested and teacher endorsed, this comprehensive program is designed to lead the student systematically through the fundamentals of the language itself and on to an appreciation of selected classic texts.
