**Gardner Dexter Hiscox : Henley's Twentieth Century Formulas, Recipes and Processes: Containing Ten Thousand Selected Household and Workshop Formulas, Recipes, Processes and ... Mechanics, Housekeepers and Home Workers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Henley's Twentieth Century Formulas, Recipes and Processes: Containing Ten Thousand Selected Household and Workshop Formulas, Recipes, Processes and ... Mechanics, Housekeepers and Home Workers:

1 of 1 people found the following review helpful. this book was out of print. One could order ...By johnthis book was out of print . One could order it but at the time it was \$300. Now it is only a few dollars and it belongs in every survivalist's library.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.
