Caroline Taggart : Her Ladyship's Guide to the British Season (National Trust History Heritage) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Her Ladyship's Guide to the British Season (National Trust History Heritage):

6 of 6 people found the following review helpful. The British Sporting Season By Elder Prep The guide to all the social events in Great Britain, with an emphasis on the husband wooing potential of each event. When to go, how to get there, what to wear (especially shoes and hats), where to stand, what to eat, etc. For anyone planning a visit to Albion for a summer of British sports and their social connections. 1 of 1 people found the following review helpful. Delightful, Useful, Spot-On By Zenyatta I thoroughly enjoyed this Guide and highly recommend it to everyone, whether you participate in season events, or just have a curiosity to understand what the season is all about. The guide is well written, using such eloquent verbiage that one can almost hear the symphony and taste the champagne at Glyndebourne as if one were actually present. This is a lovely and fun read. Enjoy!

Her Ladyship takes readers gently by the hand and guides them through the minefield of the British social season The Royal Wedding and the Olympics have shown the world exactly what makes Britain great, and the UK is the current place to see and be seen. But there is much more to Britain than just pomp and ceremony, and who better to guide one through the social minefield of the British Season than Her Ladyship? This practical guide will take readers on a tour of all the best events, including Chelsea Flower Show, Glyndebourne Festival, Lord's Test Cricket, Epsom Derby and Royal Ascot, Wimbledon, Henley Royal Regatta, Glorious Goodwood, Cowes Week, and much more. Her Ladyship is always on hand to explain what happens where, giving invaluable advice on dress codes and traditional customs along the way. Insider's tips on getting tickets and what not to miss at each event make this the must-have companion of the Season.
