RodriguesThis was a gift for my daughter , she is taking culinary classes and loved it. great book great price1 of 1 people found the following review helpful. Herbs and SpicesBy sylvia frumesIf there were more than 5 stars this book would deserve them all. It even helped my daughter start her own spice business.0 of 0 people found the following review helpful. Five StarsBy Hdavis22This book more than met my expectations and so affordable. It is the cook's bible.

A comprehensive guide to identifying and using herbs and spices, with fascinating facts and cooking techniques.
