Stand: 600 Inspiring Messages From The World's Best Commencement Addresses:

For anyone about to embark on the next phase of life, Here We Stand is a unique and inspiring collection of more than 600 quotes drawn from commencement speeches past and recent by a whole range of very important people including political leaders, actors and actresses, authors, scientists, teachers and professors, philanthropists, artists, military leaders, and activists. The topics include:

"It is so easy to waste our lives: our days, our hours, our minutes. It is so easy to take for granted the color of the azaleas, the sheen of the limestone on Fifth Avenue, the color of our kid's eyes, the way the melody in a symphony rises and falls and disappears and rises again. It is so easy to exist instead of live." --Anna Quindlen
