Michael D Roberto : Hess Toy Truck Encyclopedia: Gift Giving Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hess Toy Truck Encyclopedia: Gift Giving Edition:

0 of 0 people found the following review helpful. Nice book tells you all about all the past Hess ...By CustomerNice book tells you all about all the past Hess of past years of the Hess toy trucks very good book for collectors0 of 0 people found the following review helpful. Five StarsBy lady1yes it was very helpful and my son love it thank you

This is a "Trial Sized" Gift-Giving Edition of the full version 2017 Unofficial Hess Toy Truck Encyclopedia! A perfect price-point for giving to kids, general fans, or even to sample for yourself before delving into the full 180 page book and getting your mind completely blown away! Includes all the retail releases the common person would be familiar with. There are also checklists and other areas to take notes and reference. Each edition also has a dedication page for you to include people's names. There is no charge or obligation. It's our way of personalizing the gift you give.

About the Author Inadvertently, HESS had provided me a rare happy memory of my dad before he became ill. As a young boy going to the stations with him he had explained to me that because they just sell gas and dont actually fix cars there, they can be all white and clean. I really felt like a big kid for understanding that at 5 yrs old. I loved both my 1976 box truck with oil drums and the 1977 tanker which meant the world to me. I can still picture a clear moment from 1977 as a child playing with my trucks on the red carpet in my room in the Bronx. Fast forward to 1993, not too long after my dads passing I started to purchase a truck every year as a remembrance, but quickly got giddy like a kid in a candy store every time I drove past a station around the holiday time (you see, I didnt live close to any nearby stations, so that added something to my quest!) I hope this encyclopedia has entertained and educated you, as well as making your Hess collecting journey more fruitful. Michael
