**Peterson's : Hidden Job Market 2000 (Peterson's Hidden Job Market)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Job Market 2000 (Peterson's Hidden Job Market):

1 of 1 people found the following review helpful. Peterson's Hidden Job Market -High Growth CompaniesBy Dr. Joseph S. MarescaThis work lists specific companies which hire more people thanother traditional companies. The author recommends developinga network of contacts to take full advantage of the opportunities. This work would be invaluable in focusing yourattention exclusively on the employers who are hiring at thefastest rate. Sample companies

in New York State are:- Aerotech- Agency.com- Bergmann Associates- Coin Bill Validator- Fantasy Corporation- Parlec In. (automation )- Patient Information Systems- Therm IncorporatedA strength of the work is that the fastest growing companies are listed for each of the 50 states. This work will save you countless hours of research and experimentation in the job market.

Thousands of high-growth companies hiring at 4 times the national average.
