It was...entertaining? I ran it by a friend of mine who is a native Spanish speaker, and it didn't take us very long to figure out something was deeply wrong. Parts of this book are in French. And some parts are in...who knows what language? Most of the parts that ARE in Spanish are incorrect. Some of the French is even incorrect French. We're having fun trying to figure out what in the world is going on. I don't know HOW this book got to publishing, but it's clear how it wound up in a second hand book store.Also, the binding isn't the best.0 of 0 people found the following review helpful. I HATE THIS SO MUCHBy lvssunflowersI HATE THIS SO MUCH! I cannot even give this one star it is SO bad. There is nothing new here and the delivery is extremely cheesy! There is nothing new and fresh just cheesy pincho gringos saying spanish words that are THE SAME ENGLISH Taxi..Taxi...repeat after me...NO-NO repeat after me...Speak up! YUK! I do HATE this!MUY TERRIBLE!!!
