Richard Spears : Hip and Hot! a Dictionary of 10,000 American Slang Expressions before purchasing it in order to gage whether or not it would be worth my time, and all praised Hip and Hot! a Dictionary of 10,000 American Slang Expressions:

5 of 5 people found the following review helpful. Funny but not that usefulBy A CustomerYou can find really funny expressions and you can have great time while reading and retrieving this book. But when I used some of those phrases, my American friends asked me where did I hear those 'ancient' phrases! Obviously there are a lot of phrases

that are out of date. This book is for fun but not for use.

From "airhead" to "warhorse", it's slang American style! With over 10,000 colloquial, hip, hot words, phrases, and expressions that are exclusively American, this fun and informative reference guide is a bonanza for language lovers. Drawn from sources as varied as college students, surfers, and even mobsters, entries cite examples for correct usage.
