Martin Yate : Hiring The Best: A Manager's Guide to Effective Interviewing and Recruiting before purchasing it in order to gage whether or not it would be worth my time, and all praised Hiring The Best: A Manager's Guide to Effective Interviewing and Recruiting:

0 of 0 people found the following review helpful. Three StarsBy White Cat 412ok read0 of 0 people found the following review helpful. Read the Book and Hire the BestBy David WilhoiteGreat book. Have used it several times

in various editions to select quality candidates. Most recently used the book to help a family member develop questions for hiring a new support person. The book is clear and well written and provides several different strategies for interviewing and selecting the best candidates. A must for managers at any level who interview and make hiring decisions. 0 of 0 people found the following review helpful. Browsed through before I needed to interview potential employees. By CBI browsed through this book before I had to interview potential employees. There is some good info in here. Nicely put together.

Employees are a company's number one asset. Yet poor hiring selection can sabotage productivity, morale and the bottom line. With *Hiring the Best*, 5th edition, managers and HR personnel can direct every interview their way, and obtain the information they need to take the best possible choice. This new edition includes: 400 questions to interview candidates A new section on electronic recruitment A revised resource section Updates on new laws and guidelines influencing hiring practices

About the Author Martin Yate C.P.C. is also the author of the bestseller *Knock 'Em Dead*. His previous position include National Director of Training for Dunhill Personnel System, Inc.
