Herman A. Mueller : History of Madison County, Iowa, and Its People, Vol. 1 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised History of Madison County, Iowa, and Its People, Vol. 1 (Classic Reprint):

0 of 0 people found the following review helpful. Great source for genealogy!By K. Clark I'm thrilled to find this as I'm descended from John Wilkinson, father of Thomas, who was the father of my great-great-grandmother, Lucinda

Wilkinson Merrill. I do have a question regarding the Civil War information and the person listed as Thomas W. Wilkinson. I'm wondering if this is an error and is really supposed to be Thomas M. Wilkinson, my ancestor. He was indeed taken prisoner; according to Andersonville records, he was taken on Dec. 26 at Okolona, MS. This is very close to Ripley, MS, which is listed in your book as the location where Thomas W. was captured. (It's about an hour's drive from Okolona). This seems like it's too much to be coincidental. (Here is my source: <http://www.andersonvillepowcamp.com/index.php?page=directoryrec=33286>). This source lists him as Thomas M. Wilkinson. I'm very much looking forward to learning more about Madison County. Thanks for compiling all this information!

Excerpt from History of Madison County, Iowa, and Its People, Vol. 1 The newspaper files of the Winterset papers, especially the special historical numbers published at various times by The Madisonian, The Reporter, The News, and The Winterset Review, were freely used. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
