Bobo's Little Brainiac Books : Hold Your Horses! Animal Encyclopedia - Horses for Kids - Children's Biological Science of Horses Books before purchasing it in order to gage whether or not it would be worth my time, and all praised Hold Your Horses! Animal Encyclopedia - Horses for Kids - Children's Biological Science of Horses Books:

0 of 0 people found the following review helpful. Five StarsBy Janet M EppersBought this book for my 5 year old grandson. You should have seen his face when he opened it-priceless!

You know horses. They're the cool animals that are strong enough to carry your weight. You may have taken a ride on them but do you know what makes them strong? Know the answer, as well as other facts about horses through this valuable educational resource. Grab a copy today!

About the AuthorAs children grow older, they are always on the move running, skipping and playing constantly, discovering new things in their environment. Bobos Books makes your child slow down their busy day and helps them to accentuate their creativity, allows for a higher aptitude for learning, builds basic speech and communication skills

making learning fun rather than a chore or a task. Grab a Bobos Activity Book Today!
