**Barton Wright : Hopi Kachinas: The Complete Guide to Collecting Kachina Dolls** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hopi Kachinas: The Complete Guide to Collecting Kachina Dolls:

0 of 0 people found the following review helpful. Great book By John Barry Good well written and provides a great deal of information. I have read the book twice and still use it as a guide. The book provided pictures of a large number of kachinas and which is very helpful. Some might consider it a basic beginner book. And if it is it, all I can say, as a beginner, it told more than several books I had read on google combined. I think this book is well worth the money and will help me learn a lot about a field of collecting I knew little about. 1 of 1 people found the following

My Friend Loved it!!By LindaI bought it for a friend and she has been through brain surgery a few years ago, and was drawn to a Hopi Kachina collection that was placed in the facility where she lives. Every day she would go down to the case and look at the dolls and try to figure out how they were made and all the colours. When I gave her the books, she was so excited and told me how much she wanted them. She was so moved that she just cried.Lots of beautifully coloured pictures which she loves.3 of 3 people found the following review helpful.  
Awesome reference book on KachinasBy jcI bought two of these books, one for me and one for a friend. It is quite thorough, well written, and has great colorful photos of traditional Kachinas. Its focus is on Hopi but also touches on Zuni and Navajo. This book is very interesting and I highly recommend it to anyone who wants to study Kachinas.

Recently updated, Hopi Kachinas: The Complete Guide to Collecting Kachina Dolls continues to be the best-selling book for identifying and collecting Kachinas. In this comprehensive guide, Barton Wright identifies over 150 dolls, ranging from the more traditional style of dolls to the new ultra-realistic style. Also included are detailed descriptions of the dolls and invaluable buying tips. Whether you are novice or an experienced collector, this book is a must-have for anyone interested in Kachina dolls.
