There is however one thing I wish you would consider. When listing cars with variatiins it would be so awesome if you would include pics of all listed variations along with pics of the standard version when possible. I know that this would increase the cost and the price would go up, but you have to remember that most people have not seen these hard to find cars. People like myself would gladly pay more for the additional info.1 of 1 people found the following review helpful. Hot Wheels Treasure Hunt BookBy Greg E.
