Adele Marie Crouch : How the Fox Got His Color Bilingual Romanian English (Romanian Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised How the Fox Got His Color Bilingual Romanian English (Romanian Edition):

2 of 2 people found the following review helpful. Good story, poor translationBy D. Gan.I hope the author fires their translator and hires a new one next time. The Romanian text is littered with spelling mistakes, is missing diacritics (which are very important in the written Romanian language) and overall just isn't translated very well. Which is a shame considering the story is good for young children, or indeed someone who is trying to learn Romanian and is starting off by reading simple books such as this one.

This delightful little story tells of a young girl's time with her grandmother as she relates a legend of how a

mischievous little white fox, with all his grand adventures, became the red fox we all know today. How the Fox got His Color may well become an all-time children's classic and a perfect book for the young reader. English as a second language students will enjoy it as a valuable study tool, as well as those learning a foreign language.

About the Author Alphabet Alliteration is a new twist on an old subject, learning the English alphabet. How The Fox Got His Color and Where Hummingbirds Come From are picture books for children ages 3 - 6 years of age. The Dance of The Caterpillars, a lesson in prepositions is designed for 2nd grade students. "The Gnomes of Knot-Hole Manor" is a chapter book targeting 3rd graders. It teaches words with silent letters and words that sound the same but are spelled differently. "Catherine's Travels" is an historic novel that takes place in Missouri during the 1800's. Catherine and her family flee war torn Austria seeking a new life in America. Disaster strikes and Catherine finds herself alone in the wilderness. "Catherine's Travels Book 2 ~ Lawson's Search" After Lawson's beautiful wife, Catherine, is kidnapped he embarks on a search that will take him across the United States, over the Rocky Mountains and into the land of the Navajo. Catherine will take a terrifying, yet rewarding journey with her husband's starch enemy. Blue Eyes goes on a vision quest that will change his life forever. Adele is an artist as well as a published author. Her books are currently available on the internet (and Barnes and Noble), through her web site (<http://www.creationsbycrouch.com>), and on Kindle and Nook Creations by Crouch is making an attempt to produce bilingual books that will not only assist people in learning the language of their choice, but also to preserve (in some small way) languages that are in danger of becoming extinct. With that in mind, Adele is always on the lookout for translators of new and endangered languages. Please feel free to contact Adele if you are a native speaker of any Native American languages. Adele's children's books have become popular with English as a second language students and foreign language students all over the world and are on the top 10 list of ESL study material on . Her website is filled with study material to help people study foreign languages. It includes - vocabulary lists, MP3 files, and even has a list of the questions you need to know to pass the US citizenship exam. All of this is free to the viewer.
