By the way, I first heard about this book on KLTA 5 here in Los Angeles and then saw it on Amazon and the reason I bought it was because I wanted a book instead of a Kindle book, and it helped immensely on my interviews. I got more of an insight on what works and what doesn't before an interview, and after. My favorite chapter was the one about Fear, because boy I get so nervous during interviews and I hate it. Overall very convenient book. BTW It fits perfectly in my bag. 0 of 0 people found the following review helpful. A must read for anyone facing an interview!!! By Elizabeth Very easy to read.
